

Free Resources and Minicourses April 24

Free Resources

The overriding goal of *Lift Every Voice* is to reach out to young people everywhere with free educational resources and minicourses that can help them to lift their voices to advocate solutions to some of the most important social and ecological problems in our country and around the world. Click below to access these resources. You will also be able to access them in the presentations in the resources and minicourses. This just assembles all of them in one place.
